The 15-member, volunteer Arizona State Committee on Trails (ASCOT) is appointed by the Arizona State Parks Board. ASCOT advises the State Parks Board and staff on the planning, development, funding, maintenance, and promotion of nonmotorized trails in Arizona. ASCOT members represent a variety of nonmotorized trail interests and geographical regions within Arizona. Each individual is appointed to a three-year term (except those appointed to fill vacant positions). ASCOT meets approximately four times per year; twice during the week and twice on the weekend at locations around the state. Subcommittees of ASCOT meet more frequently throughout the year to accomplish goals. Members are expected to be active in the various Subcommittees and commit time between quarterly meetings to help accomplish the goals of ASCOT.

ASCOT members derive from a representative mix of governmental agencies, trails user groups and citizens-at-large.

At the end of 2009, there will be **five** vacancies on ASCOT. Up to two vacancies can be filled by a citizen-at-large, up to three can be filled by a representative of a governmental agency, and up to five can be from a trail user group or association.
